

PERSONALIZED BRICKS

You can help pave the way through Rotary Garden. Many people find that our paving bricks make an ideal memorial of family members and friends as well as an opportunity to celebrate a special occasion. Bricks make a unique, memorable gift for birthdays, anniversaries and graduations. We can provide you with a special gift certificate to mark the occasion. You may consider donating multiple bricks throughout the years as your gift needs arise.

STROLL THROUGH THE GARDENS

Rotary Gardens provides 15-acres of internationally themed gardens for your enjoyment. Visitors can walk along gently curved paths as they enjoy the wonder and beauty of the Gardens. Paving bricks engraved with personalized messages become the pathways of selected Gardens.

MAINTENANCE

The Gardens, including these paved pathways, are maintained by contributions from people like you. Rotary Gardens Annual Memberships help provide the day-to-day operating funds to keep the Gardens looking their best. Please consider an Annual Membership as a way to provide ongoing support for Rotary Gardens.

Paving bricks are subject to weathering and normal wear and tear. This aging enhances the look of the pathway. Paving bricks are ordered in batches and placed in pathways during warm weather. Please understand that it could take a few months before your brick is received at the Gardens and placed in the ground. You will receive notification after placement of your brick.
