

**Join us for Rotary Gardens' second annual bus trip to the Chicago Flower and Garden Show.**

Light refreshments will be served during the trip down and back with coffee served prior to boarding in the morning.

Your bus captains for the trip, Rotary Gardens' Landscape Manager Mark Dwyer and Horticulture Educator Mike Maddox will be at your disposal during the trip to answer your gardening questions. This day-long gardening adventure is suitable for novice gardeners to Master Gardeners. Even non-gardeners will appreciate the displays at the flower show and the undersea world featured at the aquarium.

We hope to see you then!

Chicago Flower & Garden Show / Shedd Aquarium

Rotary Gardens invites you to take part in our second annual winter bus trip to the Chicago Flower and Garden Show. Spend the morning at one of the country's most spectacular flower and gardens shows, with mind boggling displays and a huge vendor area. Enjoy beautiful blooms and dream of spring.

In the afternoon, we will take a look under the sea with a trip to the world's largest indoor aquarium, The Shedd. This facility houses nearly 20,000 aquatic animals and represents some 1500 species of fish, reptiles, amphibians, birds, and mammals from around the world.

**Please join us!**
