Preparing for the garden season

Start your gardening season off with ideas from Rotary Gardens' spring lecture series. Introduce yourself to a variety of spring-flowering trees and shrubs to add to your landscape; keep up with the Jones' by learning about the changing fads and trends in gardening; be inspired to try a container garden; learn how to make proper decisions that will benefit your plant's overall health before you put it in the ground.

This spring we offer you a variety of topics that will aid gardeners at all levels.

Lectures can be taken singularly or together. Each will prepare you for your outdoor adventures in gardening.

UW-Extension specialists and industry professionals will be instructing. Advanced registration required.

If you have any questions about this program, please contact Mike Maddox, Horticulture Educator: (608) 752-3885

Mike.Maddox@ces.uwex.edu.

All lectures will be held inside the Parker Education Center (Rotary Gardens), Wednesdays, 6:30pm to 9:30pm.
