

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Abelmoschus esculentus</i> 'Little Lucy'	dwarf okra	24"	yellow blooms to purple pods, all above maroon-veined foliage, dwarf!
<i>Actinomeris alternifolia</i>	wingstem	48"+	tall, rear border plant with strong stems, topped with yellow blooms
<i>Ageratum houstonianum</i> 'Blue Planet'	tall flossflower	30"	tight blue flower clusters thru summer, good cut flower too!
<i>Ageratum hybrida</i> 'High Tide Blue'	tall flossflower	24"	hedge type ageratum covered in periwinkle blue flower clusters
<i>Alcea rosea</i> 'Chater's Double Icicle'	hollyhock	60"	classic cottage garden hollyhock, double crystal white powder puffs!
<i>Alcea rosea</i> 'Crème de Casis'	hollyhock	72"	striking mix of double, single and semi-double, black currant blooms
<i>Alcea rosea</i> 'Queeny Purple'	dwarf hollyhock	24"	nice light purple blooms with darker veins, protect leaves from "nibblers"
<i>Alcea rosea</i> 'Summer Carnival'	hollyhock	60"	blooms first year!, mix of reds, pinks, crimson, yellow and white, AAS
<i>Amaranthus caudatus</i> 'Autumn Touch'	amaranth	36"+	wooly-textured flower spires in a pearly cream with pink highlights
<i>Amaranthus caudatus</i> 'Coral Fountain'	love-lies-bleeding	48"+	fantastic new coral bronze, arching plumes, showy in back of border
<i>Amaranthus caudatus</i> 'Dreadlocks'	love-lies-bleeding	40"	brilliant magenta flowerheads packed on weeping stems, knotted look
<i>Amaranthus caudatus</i> 'Fat Spike'	amaranth	48"	erect fat spikes in deep purplish-red, great in the sunny border, showy
<i>Amaranthus caudatus</i> 'Pony Tails'	amaranth	36"	large, twisted, knotted raspberry red blooms, drooping, very showy
<i>Amaranthus caudatus</i> 'Viridis'	love-lies-bleeding	48"	soft chartreuse green tassels and green stems, effective texture
<i>Amaranthus cruentus</i> 'Giant Copperhead'	amaranth	60"+	unique and stunning copper spikes above yellow green foliage
<i>Amaranthus cruentus</i> 'Golden Giant'	amaranth	60"+	huge amber plumes above clean (edible) green foliage, staking?
<i>Amaranthus cruentus</i> 'Hot Biscuits'	amaranth	40"	warm, orange brown flower spikes on sturdy plant, very showy

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Amaranthus cruentus</i> 'Orange Giant'	amaranth	60"+	sturdy plant topped with orange/amber flower plumes in mid summer
<i>Amaranthus cruentus</i> 'Red Cathedral Superior'	amaranth	48"	upright, blood red spikes above maroonish green leaves, sturdy
<i>Amaranthus cruentus</i> 'Velvet Curtains'	amaranth	36"	intense crimson flowers and shiny, purple-red foliage, showy!
<i>Amaranthus hybridus</i> 'Hartmann's Giant'	amaranth	10'+	enormous plant with purplish red plumes and reddish stalks
<i>Amaranthus hybridus</i> 'Hopi Red Dye'	amaranth	48"	deep maroon foliage, red, arching flower plumes, nutritious too!
<i>Amaranthus hybridus</i> 'Tiger Eye'	vegetable amaranth	15"	green foliage with maroon center, harvest young, ornamental edible
<i>Amaranthus hypochondriacus</i> 'Twin Towers Green'	amaranth	40"	upright green flower clusters, sturdy and very heat tolerant
<i>Amaranthus paniculatus</i> 'Autumn Palette'	amaranth	48"	tall, feathery flower spikes of cream and biscuit shades, showy!
<i>Amaranthus tricolor</i> 'Red Sea'	leaf amaranth	16"	showy plant with edible red and pink rounded leaves, nutritious
<i>Amberboa muricata</i>	star of the desert	32"	tall stems with large purple-mauve, aster-like blooms, showy
<i>Ammodium alatum</i> 'Bikini'	winged everlasting	36"	tiny white flowers w/ yellow centers, ridged stems, interesting
<i>Anagallis monellii</i> 'Gentian Blue'	pimpernel	10"	brilliant azure blossoms tinged with violet, needs well-drained soil
<i>Anethum graveolens</i> 'Fernleaf'	dill	30"	dark, blue green leaves, attractive annual with yellow flower clusters
<i>Angelonia angustifolia</i> 'Serena Purple'	summer snapdragon	18"	spires of deep purple/blue blossoms, heat tolerant, blooms until frost
<i>Angelonia angustifolia</i> 'Serena White'	summer snapdragon	18"	spires of clear white blossoms, heat tolerant, blooms until frost
<i>Anthemis arabica</i>	criss cross plant	18"	bushy, feathery foliage smothered in gold, fragrant daisies
<i>Antirrhinum majus</i> 'Animation Cognac'	snapdragon	36"	golden yellow blooms with pale orange and a touch of lilac
<i>Antirrhinum majus</i> 'Chantilly Deep Orange'	snapdragon	36"	dark orange blooms on sturdy, upright stems, good cut flower
<i>Antirrhinum majus</i> 'Rocket Gold'	snapdragon	32"	sturdy, upright plants with bright yellow blooms, sturdy thru heat

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Antirrhinum majus</i> 'Rocket Red'	snapdragon	32"	sturdy, upright plants with deep red blooms, sturdy thru heat
<i>Antirrhinum majus</i> 'Snappy Orange-White'	snapdragon	18"	scintillating golden orange blooms with white throat
<i>Argemone playceras</i>	rough prickly poppy	12"	spiny green leaf, large, papery white blooms w/ red stamens
<i>Asarina scandens</i> 'Joan Loraine Blue'	snapdragon vine	cl	violet blue, tubular flowers (snapdragon-like), frost tolerant
<i>Asclepias physocarpus</i> 'Oscar'	hairy balls	48"	white flowers become interesting, fuzzy green, oval pods, unique!
<i>Basella rubra</i>	Malabar spinach	cl	ornamental red leaf on climbing, twining (and edible) plant
<i>Begonia hybrida</i> 'Pin Up Flame'	begonia	8"	single, fiery orange/red/yellow blooms, good bedding plant
<i>Begonia hybrida</i> 'Pin Up Rose'	begonia	8"	large, rose/white bicolor blooms, nice in shady containers
<i>Begonia semperflorens</i> 'Volumia Rose Bicolor'	begonia	12"	neat, compact habit, rose-bicolor blooms in profusion, solid performer
<i>Berkheya multijuga</i> 'Golden Spikes'	African thistle	24"	architectural foliage, brilliant golden yellow daisy
<i>Beta vulgaris</i> 'Bull's Blood'	beet	15"	deep maroonish red, puckered leaves, great ornamental edible!
<i>Beta vulgaris</i> 'Golden'	golden Swiss chard	24"	heirloom strain with yellow stems and veins, intensifies to golden color
<i>Beta vulgaris</i> 'Orange Fantasia'	orange Swiss chard	24"	bright orange stalks contrasting with dark green, glossy leaves
<i>Beta vulgaris</i> 'Rhubarb'	Swiss chard	18"	striking purplish stalk, prominent, red-veined leaves, edible ornamental
<i>Brassica oleracea</i> 'Red Peacock'	ornamental kale	12"+	lacy, fine foliage, purplish outer leaves around red center, likes cold
<i>Brassica oleracea</i> 'Toscano'	dinosaur kale	24"+	heavily "puckered" blue-green leaves, very showy for texture
<i>Browallia americana</i> 'Blue Lady'	blue bells	24"	continuously blooming blue with cream centers, showy in shade too!
<i>Browallia viscosa</i> 'Amethyst'	blue bells	10"	bronze foliage, abundant purple/blue blooms with white eye
<i>Callistephus chinensis</i> 'Hulk'	Chinese aster	36"	intense green bloom with yellow/white eye, good cut flower
<i>Callistephus chinensis</i> 'Lemonetta'	Chinese aster	24"	light lemon-yellow, peony like blooms in mid summer, subtle and showy
<i>Callistephus chinensis</i> 'Matsumoto Blue Tipped White'	Chinese aster	30"	intense blue blooms, white tips on petals, yellow center, summer
<i>Callistephus chinensis</i> 'Matsumoto Dark Blue'	Chinese aster	24"	solid dark blue blooms in late summer, yellow centers, showy

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Callistephus chinensis</i> 'Purple Burst'	Chinese aster	24"	unique summer blooms display bursts of white throughout purple petals
<i>Capsicum</i> 'Black Pearl'	hot pepper	18"	dark purple foliage, ornamental fruit matures to red
<i>Capsicum</i> 'Blanca-Rose'	hot pepper	10"	fruits are upright cones maturing from white to a rosy-yellow
<i>Capsicum</i> 'Calico'	ornamental hot pepper	12"	compact, rounded plant, strong variegated foliage, glossy black fruit
<i>Capsicum</i> 'Candlelight'	ornamental hot pepper	16"	clusters of smoot peppers ripen green to yellow to orange to fire red
<i>Capsicum</i> 'Chilly Chili'	hot pepper	12"	yellow fruits aging to red, not very hot but nicely ornamental
<i>Capsicum</i> 'Chinese Five Color'	ornamental hot pepper	15"	rainbow of vibrant purple, cream, yellow, orange and red, showy!!!
<i>Capsicum</i> 'Conic White-Red'	ornamental hot pepper	16"	strong stems supporting white fruits that change orange then red
<i>Capsicum</i> 'Explosive Blast'	hot pepper	12"	clusters of fruit on top, ivory, yellow and red, compact plant
<i>Capsicum</i> 'Explosive Ember'	hot pepper	12"	very distinct purple leaf, great bedding plant
<i>Capsicum</i> 'Explosive Ignite'	hot pepper	12"	thin green leaf, long narrow fruits in multiple colors, heat folerant
<i>Capsicum</i> 'Filius Blue'	hot pepper	12"	upright plant, great for containers, fruits start blue then age tto red
<i>Capsicum</i> 'Fips'	hot pepper	12"	masses of red and yellow fruits, ornamental from a distance
<i>Capsicum</i> 'Fish'	ornamental hot pepper	24"	decorative green and purple foliage splashed w/ white, variable fruit color
<i>Capsicum</i> 'Gion Red'	ornamental hot pepper	8"	dwarf, early producing, large conical fruits aging to red, showy!
<i>Capsicum</i> 'Holiday Cheer'	ornamental hot pepper	8"	first pepper to have perfectly round fruits, bushy, many colors
<i>Capsicum</i> 'Hot Purple'	hot pepper	12"	variegated leaves, showy, smothered with small fruits
<i>Capsicum</i> 'Ladybug'	ornamental hot pepper	15"	mini-sized, cherry-shaped, deep red fruits, nice ornamental variety
<i>Capsicum</i> 'Largo Purple'	ornamental hot pepper	24"	violet, green and white foliage, jewel tones, fruits age to red
<i>Capsicum</i> 'Lila-Naranja'	hot pepper	10"	ornamental fruits mature from yellow, thru purple to red
<i>Capsicum</i> 'Little Wonder'	ornamental hot pepper	12"	lovely little compact plant smothered in cone-shaped, scarlet fruits

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Capsicum 'Marbles'</i>	ornamental hot pepper	14"	compact plants, cream, white, yellow, purple, orange, red cornucopia
<i>Capsicum 'Masquerade'</i>	hot pepper	12"	early and "long-fruited", fruit color from purple to yellow to red
<i>Capsicum 'Medusa'</i>	hot pepper	12"	great bedding plant, not hot, skinny fruits (yellow to orange to red)
<i>Capsicum 'Nippon Taka 101'</i>	ornamental hot pepper	24"	uniform and vigorous, upright cluster of narrow red fruits, showy
<i>Capsicum 'Nosegay'</i>	ornamental hot pepper	6"	tiny plant with foliage that looks like bay leaves, variable fruit color
<i>Capsicum 'NuMex Twilight'</i>	ornamental hot pepper	18"	fruit in all four color stages, purple, yellow, orange and red, showy!!!
<i>Capsicum 'Peppa Blanca'</i>	ornamental hot pepper	12"	compact plants, fruit matures from white to pale salmon, subtle
<i>Capsicum 'Pepperoni'</i>	hot pepper	10"	pungent fruit matures from white thru orange to red, ornamental
<i>Capsicum 'Peruvian Purple'</i>	ornamental hot pepper	20"	completely purple foliage and purple glossy fruits, aging to red
<i>Capsicum 'Poinsettia'</i>	ornamental hot pepper	18"	long, thin red fruits clustered with pointed ends upwards, high yielder
<i>Capsicum 'Prairie Fire'</i>	ornamental hot pepper	8"	upright, tapered fruit in clusters, green to yellow to red, great bedding
<i>Capsicum 'Pretty Purple'</i>	ornamental hot pepper	30"	all purple leaves, stems, flowers and unripe peppers (aging to red)
<i>Capsicum 'Purple Flash'</i>	ornamental hot pepper	15"	"flashes" of bright purple foliage amongst black leaves, glossy black fruit
<i>Capsicum 'Purple Tiger'</i>	ornamental hot pepper	18"	striking tri-color foliage, green, purple and white, fruits purple aging red
<i>Capsicum 'Red Missile'</i>	hot pepper	12"	compact plant with cream fruits aging to orange to red, containers!
<i>Capsicum 'Riot'</i>	ornamental hot pepper	15"	narrow hot peppers, riot of color, fruits yellow, to orange, to red
<i>Capsicum 'Round Red'</i>	ornamental hot pepper	16"	deep green, egg-shaped peppers age to a brilliant scarlet

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Capsicum 'Royal Black'</i>	ornamental hot pepper	24"	blackest? deep purple black foliage, jet black fruits aging to red
<i>Capsicum 'Sangria'</i>	ornamental hot pepper	12"	full, spreading habit, child-safe, purple and red fruits, minimal "heat"
<i>Capsicum 'Shu'</i>	ornamental hot pepper	10"	charming dwarf, boldly splashed foliage and various fruit color stages
<i>Capsicum 'Sweet Pickle'</i>	ornamental hot pepper	24"	leaves have shades of white, green and purple, fruits purple to red
<i>Capsicum 'Thai Hot Ornamental'</i>	ornamental hot pepper	12"	compact, tiny leaves, masses of narrow, upright red fruits
<i>Capsicum 'Topfruit Red'</i>	ornamental hot pepper	16"	conical fruits clustered to look like "bunches of flame", age to red
<i>Capsicum 'Treasures Red'</i>	hot pepper	8"	very compact mound with upright white fruits that age to red
<i>Capsicum 'TriColor Variegata'</i>	hot pepper	16"	variegated white, purple, green leaf, fruits age purple to red
<i>Carpanthea pomeridiana 'Golden Carpet'</i>	carpet marigold	6"	large, fully double lemon flowers, likes it sunny and dry
<i>Catharanthus roseus 'Apricot Delight'</i>	annual vinca	10"	pastel apricot blooms with red-eye, dwarf and compact
<i>Catharanthus roseus 'Cascade Beauty Purple'</i>	annual vinca	6"	good in hanging baskets, containers, overlapping flowers, showy
<i>Catharanthus roseus 'Cascade Beauty Rose'</i>	annual vinca	6"	good in hanging baskets, containers, overlapping flowers, showy
<i>Catharanthus roseus 'Cascade Beauty Salmon'</i>	annual vinca	6"	good in hanging baskets, containers, overlapping flowers, showy
<i>Catharanthus roseus 'Cascade Beauty White w/ Eye'</i>	annual vinca	6"	good in hanging baskets, containers, overlapping flowers, showy
<i>Catharanthus roseus 'Cobra Apricot'</i>	annual vinca	10"	compact, mounding, large flowers, disease tolerance
<i>Catharanthus roseus 'Cobra Orchid w/ Eye'</i>	annual vinca	10"	compact, mounding, large flowers, disease tolerance
<i>Catharanthus roseus 'Cobra Passion Fruit'</i>	annual vinca	10"	compact, mounding, large flowers, disease tolerance
<i>Catharanthus roseus 'Cobra Peppermint'</i>	annual vinca	10"	white blooms with bright red eye, clean foliage, heat tolerant
<i>Catharanthus roseus 'Cobra Purple'</i>	annual vinca	10"	purple blooms with intense purple center, heat tolerant
<i>Catharanthus roseus 'Cobra Purple w/ Eye'</i>	annual vinca	10"	pastel purple blooms with yellow eye, showy, heat tolerant
<i>Catharanthus roseus 'Cobra Red'</i>	annual vinca	10"	deep red blooms with even darker red eye, disease resistant
<i>Catharanthus roseus 'Cobra Red W/ Eye'</i>	annual vinca	10"	compact, mounding, large flowers, disease tolerance
<i>Catharanthus roseus 'Cobra Rose'</i>	annual vinca	10"	rose pink blooms with yellow eye, glossy foliage, heat resistant

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Cobra Strawberry Red'	annual vinca	10"	compact, mounding, large flowers, disease tolerance
<i>Catharanthus roseus</i> 'Cobra White'	annual vinca	10"	snow white blooms with faint pink halo in center, long blooming
<i>Catharanthus roseus</i> 'Cooler Apricot'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Blush'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Coconut'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Deep Orchid'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Grape'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Hot Rose'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Icy Pink'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Lavender Halo'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Orchid Deep'	annual vinca	10"	light grape coloration with small white eye, heat resistant
<i>Catharanthus roseus</i> 'Cooler Peppermint'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Pink'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Raspberry'	annual vinca	10"	magenta blooms with small eye, insect and disease resistant
<i>Catharanthus roseus</i> 'Cooler Raspberry Red'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Red'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cooler Rose'	annual vinca	10"	deep rose pink blooms, glossy foliage, heat resistant
<i>Catharanthus roseus</i> 'Cooler Strawberry'	annual vinca	14"	more tolerant of cool conditions, large flowers w/ overlapping petals
<i>Catharanthus roseus</i> 'Cora Apricot'	annual vinca	16"	superior disease resistance, clean foliage, tall, large flowers!

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Cora Burgundy'	annual vinca	16"	superior disease resistance, clean foliage, tall, large flowers!
<i>Catharanthus roseus</i> 'Cora Deep Lavender'	annual vinca	16"	superior disease resistance, clean foliage, tall, large flowers!
<i>Catharanthus roseus</i> 'Cora Lavender'	annual vinca	16"	superior disease resistance, clean foliage, tall, large flowers!
<i>Catharanthus roseus</i> 'Cora Violet'	annual vinca	16"	superior disease resistance, clean foliage, tall, large flowers!
<i>Catharanthus roseus</i> 'Cora White'	annual vinca	16"	superior disease resistance, clean foliage, tall, large flowers!
<i>Catharanthus roseus</i> 'First Kiss Apricot'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Blueberry'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Blush'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Cherry'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Coral'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Peach'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Pink'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Polka Dot'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Raspberry'	annual vinca	8"	large flowers above clean, glossy foliage, disease resistance
<i>Catharanthus roseus</i> 'First Kiss Rose'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Ruby'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss Sunrise'	annual vinca	12"	uniform plants with large, rounded blooms, insect/disease resistant
<i>Catharanthus roseus</i> 'First Kiss White'	annual vinca	8"	large flowers above clean, glossy foliage, disease resistance
<i>Catharanthus roseus</i> 'Heatwave Apricot'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Blue W/ Eye'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Burgundy'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Cherry'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Heatwave Deep Rose'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Grape'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Orchid'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Peach'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Peppermint'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Pink'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Raspberry'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave Red'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Heatwave White'	annual vinca	10"	upright branching, solid flower coverage, glossy foliage
<i>Catharanthus roseus</i> 'Jaio Dark Red'	annual vinca	15"	bright white stars in the heart of velvety red petals, showy
<i>Catharanthus roseus</i> 'Little Blanche'	annual vinca	12"	dark green, glossy foliage, insect and disease resistant, showy
<i>Catharanthus roseus</i> 'Little Bright Eye'	annual vinca	12"	dark green, glossy foliage, insect and disease resistant, showy
<i>Catharanthus roseus</i> 'Little Pinkie'	annual vinca	12"	dark green, glossy foliage, insect and disease resistant, showy
<i>Catharanthus roseus</i> 'Mediterranean Apricot Broadeye'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Deep Orchid'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Deep Rose'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Lilac'	annual vinca	12"	very vigorous, lilac blooms, insect/disease resistant foliage
<i>Catharanthus roseus</i> 'Mediterranean Peach Improved'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Peach XP'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Pink'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Polka Dot'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Red XP'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean Rose Hot XP'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Mediterranean Strawberry'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean White Broadeye'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Mediterranean White XP'	annual vinca	8"	trailing/cascading habit, high impact blooms, heat tolerance
<i>Catharanthus roseus</i> 'Pacifica Apricot'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Apricot XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Blush'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Burgundy'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Burgundy Halo'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Burgundy Halo XP'	annual vinca	14"	bright color in full sun thru summer, clean foliage, well-branched
<i>Catharanthus roseus</i> 'Pacifica Burgundy XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Cherry Halo'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Cherry Halo XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Cherry Red'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Coral'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Coral XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Dark Red'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Deep Orchid'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Pacifica Deep Orchid XP'	annual vinca	14"	bright color in full sun thru summer, clean foliage, well-branched
<i>Catharanthus roseus</i> 'Pacifica Icy Pink'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Icy Pink XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Lilac'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Lilac XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Magenta Halo'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Magenta Halo XP'	annual vinca	14"	bright color in full sun thru summer, clean foliage, well-branched
<i>Catharanthus roseus</i> 'Pacifica Orchid Halo'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Pink'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Polka Dot'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Polka Dot XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Punch'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Punch Halo'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Punch XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Pure White'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Raspberry XP'	annual vinca	14"	bright color in full sun thru summer, clean foliage, well-branched
<i>Catharanthus roseus</i> 'Pacifica Really Red'	annual vinca	12"	improved variety, close to true red, heat resistant

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Pacifica Really Red XP'	annual vinca	14"	bright color in full sun thru summer, clean foliage, well-branched
<i>Catharanthus roseus</i> 'Pacifica Rose Halo'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica Rose Halo XP'	annual vinca	14"	nice compact habit, huge flowers with overlapping petals, showy
<i>Catharanthus roseus</i> 'Pacifica White'	annual vinca	16"	compact branching habit, very large flowers, quite showy
<i>Catharanthus roseus</i> 'Pacifica White XP'	annual vinca	14"	bright color in full sun thru summer, clean foliage, well-branched
<i>Catharanthus roseus</i> 'Sante Fe'	annual vinca	12"	deep salmon blooms with white eye, nice in pastel arrangements
<i>Catharanthus roseus</i> 'Stardust Orchid'	annual vinca	14"	early blooming, well-branched, orchid blooms with white eye
<i>Catharanthus roseus</i> 'Stardust Pink'	annual vinca	10"	star-shaped, solid white center, brightly colored border, tough
<i>Catharanthus roseus</i> 'Stardust Rose'	annual vinca	10"	star-shaped, solid white center, brightly colored border, tough
<i>Catharanthus roseus</i> 'Sundress White W/ Eye'	annual vinca	10"	ruffled white blooms with a large cherry-colored center
<i>Catharanthus roseus</i> 'Sunshower Lilac'	annual vinca	8"	upright habit maturing to a arching, trailing effect, containers
<i>Catharanthus roseus</i> 'Sunshower Orchid W/ Eye'	annual vinca	8"	upright habit maturing to a arching, trailing effect, containers
<i>Catharanthus roseus</i> 'Sunshower White W/ Eye'	annual vinca	8"	upright habit maturing to a arching, trailing effect, containers
<i>Catharanthus roseus</i> 'Sunsplash Apricot'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Blue'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Bright White'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Burgundy'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Cherry'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Sunsplash Deep Pink'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Grape'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Light Pink'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Lilac'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Orchid'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Papaya'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Peach'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Raspberry'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Red'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash Rose'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Sunsplash White W/ Eye'	annual vinca	14"	durable vinca, maximum disease resistance, best choice for dry area
<i>Catharanthus roseus</i> 'Titan Blush'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant
<i>Catharanthus roseus</i> 'Titan Burgundy'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant
<i>Catharanthus roseus</i> 'Titan Lavender Blue Halo'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant
<i>Catharanthus roseus</i> 'Titan Lilac'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant
<i>Catharanthus roseus</i> 'Titan Polka Dot'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant
<i>Catharanthus roseus</i> 'Titan Punch'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Catharanthus roseus</i> 'Titan Rose'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant
<i>Catharanthus roseus</i> 'Titan White Pure'	annual vinca	16"	extremely large flowers, clean foliage, heat and disease tolerant
<i>Catharanthus roseus</i> 'Victory Apricot'	annual vinca	10"	fruity, vermilion apricot, small white eye, non-fading
<i>Catharanthus roseus</i> 'Victory Blue'	annual vinca	10"	purplish blue with white eye, rare color, heat resistant
<i>Catharanthus roseus</i> 'Victory Bright Eye'	annual vinca	10"	snow white blooms with showy red eye, nice bedding plant
<i>Catharanthus roseus</i> 'Victory Carmine'	annual vinca	10"	brilliant carmine rose with white eye, good in groupings
<i>Catharanthus roseus</i> 'Victory Cranberry'	annual vinca	10"	cranberry bog red, white eye, very showy and unique
<i>Catharanthus roseus</i> 'Victory Deep Pink'	annual vinca	10"	deep pink blooms with white eye, glossy foliage, heat resistant
<i>Catharanthus roseus</i> 'Victory Grape'	annual vinca	10"	tantalizing, solid lavender purple color, disease resistant
<i>Catharanthus roseus</i> 'Victory Lavender'	annual vinca	10"	lavender blue blooms with white eye, heat resistant
<i>Catharanthus roseus</i> 'Victory Light Pink'	annual vinca	10"	light pink blooms with white white eye, glossy ornamental foliage
<i>Catharanthus roseus</i> 'Victory Purple'	annual vinca	10"	smooth mid purple with white eye, good in large groupings
<i>Catharanthus roseus</i> 'Victory Red'	annual vinca	10"	lurid, lush 'Marilyn Monroe' red, good combination of blooms & foliage
<i>Catharanthus roseus</i> 'Victory White'	annual vinca	10"	pure snow white blooms in profusion over clean foliage
<i>Catharanthus roseus</i> 'Viper Apricot'	annual vinca	16"	soft apricot blooms with large red eye
<i>Catharanthus roseus</i> 'Viper Grape'	annual vinca	16"	lavender purple blooms with carmine eye
<i>Catharanthus roseus</i> 'Viper Pink'	annual vinca	16"	huge, soft pink flowers, yellow eye circled in deep pink
<i>Catharanthus roseus</i> 'Viper Purple'	annual vinca	16"	bright purple blooms, clean, glossy foliage
<i>Catharanthus roseus</i> 'Viper Purple Halo'	annual vinca	16"	light purple blooms with clean white eye, trouble free
<i>Catharanthus roseus</i> 'Viper Red'	annual vinca	16"	true, solid red blooms, glossy, heat-resistant
<i>Catharanthus roseus</i> 'Viper Red w/ Eye'	annual vinca	16"	Bright red flowers wity yellow center, durable in the heat
<i>Catharanthus roseus</i> 'Viper Rose'	annual vinca	18"	vigorous and large! showy blooms, great for borders or containers
<i>Catharanthus roseus</i> 'Viper Watermelon'	annual vinca	16"	bright rose blooms with a red eye, heat tolerant
<i>Celosia argentea plumosa</i> 'Sylphid'	celosia	40"	greenish-yellow, feathery plumes on tall, straight stems, subtle
<i>Celosia cristata</i> 'Bombay Fire Orange'	crested celosia	40"	tall, showy, flat, fiery orange combs thru the summer, staking?

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Celosia cristata</i> 'Prestige Scarlet'	cockscomb	18"	cockscomb, ruffled red blooms above bronzy foliage, showy
<i>Celosia cristata</i> 'Toreador'	cockscomb	24"	scarlet crested blooms, green foliage, great cut and/or dried
<i>Celosia hybrida</i> 'Enterprise White'	hybrid celosia	48"	unique blooms with central plume surrounded by others, upright
<i>Celosia hybrida</i> 'Himalayan'	celosia	60"	red/green variegated leaves, bright pink/red flower plumes, showy!
<i>Celosia plumosa</i> 'China Town'	plume celosia	16"	bright red flower plumes above deep maroon foliage, eye catching
<i>Celosia plumosa</i> 'Forest Fire'	plume celosia	30"	dazzling red blooms atop maroon foliage, very showy, rich color!
<i>Celosia plumosa</i> 'Fresh Look Gold'	plume celosia	15"	feathery, solid plumes in deep orange, solid performer thru summer
<i>Celosia plumosa</i> 'Fresh Look Orange'	plume celosia	15"	gleaming, standout orange plumes, clean foliage, heat tolerant
<i>Celosia plumosa</i> 'Fresh Look Red'	plume celosia	15"	vivid red plumes above clean green foliage, very showy, AAS
<i>Celosia plumosa</i> 'Fresh Look Yellow'	plume celosia	15"	bright yellow plumes with long-lasting color thru the summer, AAS
<i>Celosia plumosa</i> 'New Look'	plume celosia	15"	deep red plumes above bronze/maroon foliage, heat tolerant
<i>Celosia spicata</i> 'Flamingo Feather Pink'	wheat celosia	36"	slender, soft pink plumes on erect stems, good dried flower
<i>Celosia spicata</i> 'Punky Red'	wheat celosia	24"	reddish pink flower spikes on upright, sturdy plant, good en masse
<i>Celosia spicata</i> 'Xantippe'	wheat celosia	30"	pale pink spikey blooms in clusters that will mature to silver, good cut
<i>Cenolophium denudatum</i>	Baltic parsley	40"	deeply cut, wispy foliage topped with huge white flower umbels
<i>Centaurea americana</i> 'Jolly Joker'	basket flower	36"	large rosy-lilac blooms on thin arching stems, great cut flower
<i>Centratherum intermedium</i> 'Button Beauty'	larkdaisy	18"	large lavender blue, anemone-like blossoms thru the summer, showy
<i>Cerinth major var. purpurascens</i> 'Kiwi Blue'	honeywort	30"	grey green foliage with white spots, dangling blue flowers, unique
<i>Chenopodium giganteum</i> 'Magentaspreen'	tree spinach	48"+	red and green striped stems, brilliant magenta leaves, edible

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Chrysanthemum carinatum</i> 'German Flag'	painted daisy	24"	bold scarlet daisies with inner yellow ring and dark center, rich color!
<i>Cleome hassleriana</i> 'Cherry Queen'	spider flower	36"	cherry rose blooms on tall, sturdy plant, large flower heads
<i>Cleome hassleriana</i> 'Rose Queen'	spider flower	36"	rose pink blooms on tall, sturdy plant, large flower heads
<i>Cleome hassleriana</i> 'Sparkler Blush'	spider flower	36"	light pink, long lasting blooms, solid performer in tough spots
<i>Cleome hassleriana</i> 'Violet Queen'	spider flower	36"	violet blooms on tall, sturdy plant, large flower heads
<i>Cleome hassleriana</i> 'White Queen'	spider flower	36"	white booms on tall plant, large flower heads, very slight fragrance
<i>Convolvulus tricolor</i> 'Flash Light Blue'	dwarf "morning glory"	14"	perfect sky blue blooms with white throat, spreading plant, showy!
<i>Convolvulus tricolor</i> 'Royal Ensign'	dwarf morning glory	16"	deep, ultramarine blue petals, white halo, yellow center, very showy
<i>Coreopsis grandiflora</i> 'Early Sunrise'	tickseed	15"	profuse, bright yellow blooms on compact plant, blooms first year
<i>Coreopsis grandiflora</i> 'Heliot'	tickseed	14"	zone 5 perennial, yellow daisies with red inner center, Fleuroselect
<i>Coreopsis grandiflora</i> 'Presto'	tickseed	12"	very compact plant with fully double, yellow blooms, perennial
<i>Coreopsis grandiflora</i> 'Rising Sun'	tickseed	24"	double golden blooms with mahogany-red center, zone 5 perennial
<i>Cosmidium burridgeanum</i> 'Phillipine'	greenthreads	16"	orange flower petals with maroon center, fragrant, very showy
<i>Cosmos bipinnatus</i> 'Sonata Pink'	cosmos	24"	compact, bushy, pink blooms (dark center) in profusion thru the summer
<i>Cosmos bipinnatus</i> 'Sonata White'	cosmos	24"	compact, bushy, clear white blooms in profusion thru the summer
<i>Cosmos sulphureus</i> 'Cosmic Orange'	sulphur cosmos	12"	compact plant smothered in clear orange blooms, showy
<i>Cosmos sulphureus</i> 'Crest Lemon'	sulphur cosmos	18"	double lemon-yellow blooms born above deeply cut foliage, showy
<i>Cosmos sulphureus</i> 'Lemon Bird'	sulphur cosmos	12"	smothered in vibrant yellow blooms until frost, eye catcher from afar
<i>Cosmos sulphureus</i> 'Limara Lemon'	sulphur cosmos	12"	new variety with large, creamy lemon blooms, dark center, compact

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Cosmos sulphureus</i> 'Sunny Red'	sulphur cosmos	20"	brilliant scarlet blooms, mid height, low maintenance!
<i>Cosmos sulphureus</i> 'Sunset'	sulphur cosmos	24"	deeply cut, lacy foliage, bronze-orange blooms thru the summer
<i>Crambe maritima</i>	sea kale	18"	perennial, edible, powder blue greens, native to Northern Europe
<i>Cuphea procumbens</i> 'Purple Star'	creeping waxweed	15"	attractive, rich purple star-shaped blooms with cream center
<i>Dianthus barbatus</i> 'Noverna Clown'	sweet William	18"	clusters of fragrant blooms, white, pink, purple, salmon, showy
<i>Dianthus caryophyllus</i> 'Raspberry Ripple'	carnation	16"	stunning double blooms, white with rose red picotee lacing, fragrant!
<i>Dianthus chinensis</i> 'Corona Cherry Magic'	China pinks	10"	compact plant, lots of cherry, white, pink color-patterned blooms
<i>Dianthus chinensis</i> 'Dulce White to Pink'	China pinks	12"	masses of neatly fringed, very fragrant blooms, open white, fade to pink
<i>Dianthus hybrida</i> 'Fandango'	pinks	18"	stunning crimson purple, semi-double blooms, very fragrant
<i>Dianthus hybrida</i> 'Ideal Violet'	pinks	12"	early blooming, compact plant with showy, violet blooms
<i>Dianthus hybrida</i> 'Supra Purple'	pinks	12"	fringed, violet purple blooms, strong stems, good cut flower, AAS
<i>Dianthus knappii</i> 'Yellow Harmony'	Knapp's pink	15"	grass-like foliage, erect stems topped with light yellow clusters
<i>Dianthus superbus</i> 'Kawara Pink'	pinks	24"	strong stemmed plant with feathery fringed, pink blooms, showy
<i>Diascia barberae</i> 'Diamonte Coral Rose'	twinspur	12"	small, coral rose blooms in profusion in spring and late summer
<i>Didiscus caeruleus</i> 'Madonna Blue'	blue lace flower	24"	3" umbels of lavender blue flowers, great cut flower
<i>Didiscus caeruleus</i> 'Sky Blue'	blue lace flower	24"	3" umbels of loose, sky blue blooms, airy stems, good cut flower
<i>Digitalis purpurea</i> 'Foxy'	foxglove	36"	pastel color mix of sturdy blooms, blooms first year from seed
<i>Dolichos lablab</i> (red-leaved)	hyacinth bean	cl	dark crimson red foliage with deep purple flowers and bean pods
<i>Dyssodia tenuiloba</i> 'Golden Fleece'	Dahlberg daisy	9"	lacy leaves smothered in continuous yellow blooms, reseeding

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Emilia sonchifolia</i> 'Scarlet Magic'	Flora's paint brush	24"	fluffy, scarlet red tassels on arching plant, subtle, effective red
<i>Eragrostis elliotii</i> 'Wind Dancer'	love grass	36"	blue green leaf blades, graceful, drought tolerant, wispy plumes
<i>Eragrostis tef</i>	ruby silk grass	24"+	elegant ornamental grass, rich burgundy seed heads, grain plant too
<i>Erigeron mucronatus</i> 'Profusion'	fleabane daisy	12"	white daisies age to pink, great in rock garden or container
<i>Eucalyptus gunnii</i> 'Silver Drop'	eucalyptus	20"+	small, round bluish silver leaves, excellent foliage contributor
<i>Gaillardia aristata</i> 'Arizona Sun'	blanket flower	15"	large, mahogany red blooms with bright yellow edges, showy!, AAS
<i>Gaillardia pulchella</i> 'Red Plume'	blanket flower	18"	double red blooms, very heat tolerant plant, good en masse
<i>Gaillardia pulchella</i> 'Sundance BiColor'	blanket flower	12"	unique bicolor with mahogany red and yellow flowers
<i>Gaillardia pulchella</i> 'Sundance Cream'	blanket flower	10"	creamy white blooms are full-double "powder puffs", showy
<i>Glaucium corniculatum</i> 'Burnt Orange'	horned poppy	12"	deep orange blooms above attractive, blue green foliage, easy to sow
<i>Gomphocarpus physocarpus</i> 'Oscar'	hairy balls	60"	towering green foliage with globe-shaped pods, great in arrangements
<i>Gomphrena globosa</i> 'QIS Orange'	globe amaranth	24"	sturdy plants, light orange, rounded blooms, great cut and dried
<i>Gomphrena globosa</i> 'QIS White'	globe amaranth	24"	white, rounded blooms atop sturdy stems, great dried flower
<i>Gomphrena globosa</i> 'Woodcreek Orange'	globe amaranth	24"	tall, cutting type globe amaranth with light orange, rounded blooms
<i>Gomphrena haageana</i> 'Strawberry Fields'	globe amaranth	24"	strawberry red, rounded blooms in profusion, plant en masse!
<i>Helenium amarum</i> 'Dakota Gold'	dwarf Helen's flower	12"	wispy, mounded plants covered in long-lasting, yellow daisies
<i>Helenium puberleum</i> 'Autumn Lollipop'	Helen's flower	36"	unusual novelty, round rustic flower, short petals, perennial
<i>Helichrysum bracteatum</i> 'Monster Orange'	strawflower	36"	extra large, double orange bloom, great cutflower or everlasting
<i>Heliophila longifolia</i> 'Blue Diamonds'	false blue flax	12"	quick to bloom, very intense blue flowers with white center
<i>Hibiscus cannabinus</i>	Kenaf hibiscus	10'+	enormous tropical with pointed leaves, textural plant for large space

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Hunnemannia fumariifolia</i> 'Sunlite'	Mexican tulip poppy	30"	blue green foliage, textural, clear lemon yellow blooms thru summer
<i>Impatiens auricoma</i> 'Jungle Gold'	impatiens	20"+	bright yellow, orchid-like blooms above glossy foliage,
<i>Impatiens walleriana</i> 'Fanciful Moonlight Rose Mix'	impatiens	12"	ruffled flowers, solid rose and rose stardust with white as well
<i>Impatiens walleriana</i> 'Super Elfin Blue Pearl XP'	impatiens	12"	sturdy impatiens, reliable bloom, showy range of colors
<i>Impatiens walleriana</i> 'Super Elfin Red XP'	impatiens	12"	sturdy impatiens, reliable bloom, showy range of colors
<i>Impatiens walleriana</i> 'Super Elfin Salmon XP'	impatiens	12"	sturdy impatiens, reliable bloom, showy range of colors
<i>Impatiens walleriana</i> 'Super Elfin Violet XP'	impatiens	12"	sturdy impatiens, reliable bloom, showy range of colors
<i>Impatiens walleriana</i> 'Super Elfin White XP'	impatiens	12"	sturdy impatiens, reliable bloom, showy range of colors
<i>Impatiens x hawkeri</i> 'Tango Orange'	New Guinea impatiens	12"	deep orange blooms above bronzy leaves, sturdy part shade plant
<i>Ipomoea luteola</i>	hearts & honey vine	cl	clusters of small fire-engine red blooms with butter yellow throats
<i>Ipomoea quamoclit</i> 'Alba'	white cypress vine	cl	lacy leaves on vigorous vine, small white trumpet flowers in profusion
<i>Ipomoea tricolor</i> 'Blue Star'	morning glory	cl	very pale blue blossoms with darker veins between the petal creases
<i>Juncus pallidus</i> 'Javelin'	giant rush	60"	sturdy, narrow blue foliage, great container accent or upright form
<i>Juncus tenuis</i> 'Blue Dart'	rush	16"	linear blue foliage with strong vertical habit, great in containers
<i>Kochia scoparia</i> 'Acapulco Silver'	summer cypress	30"	fine textured foliage with variegated tips, turns red in September
<i>Lathyrus odoratus</i> 'Cupani'	sweet pea	cl	most fragrant of sweet peas, maroon and deep blue blossoms
<i>Laurentia hybrida</i> 'Avant-Garde Blue'	star flower	12"	early blooming, masses of light blue flowers over long period, showy
<i>Laurentia hybrida</i> 'Avant-Garde Pink'	star flower	12"	early blooming, masses of light pink flowers over long period, showy
<i>Lavandula angustifolia</i> 'Ellagance Purple'	lavender	18"	blooms first year from seed, dense purple blue spikes, Fleuroselect

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Lavandula angustifolia</i> 'Ellagance Sky'	lavender	18"	blooms first year from seed, light blue-violet blooms, Fleuroselect
<i>Lavatera trimestris</i> 'Novella'	mallow	24"	maroon veined, pink blooms, beautiful, tasty for rabbits!
<i>Lavatera trimestris</i> 'Twins Hot Pink'	mallow	20"	compact mallow with satiny blooms thru summer, tasty for rabbits!
<i>Leonotis leonurus</i> 'Staircase'	lion's ear	72"	unique and showy, whorls of brilliant orange blooms on strong stems
<i>Limonium perezii</i>	statice	18"	deep rich blue flowers, great dried flower, blooms first year from seed
<i>Limonium sinuata</i> 'QIS Pale Blue'	statice	30"	good strain for cut or dried flower use, nice shade of blue
<i>Linum grandiflorum</i> 'Blue Dress'	flax	24"	wispy stems topped with true blue blossoms, sow and stand back
<i>Lobelia kalmii</i> 'Blue Shadow'	lobelia	12"	upright blooms in an intense ocean blue, summer bloomer
<i>Lobularia maritima</i> 'Clear Crystals Lavender Shades'	sweet alyssum	10"	lavender to light lavender blooms in profusion, large florets
<i>Lobularia maritima</i> 'Clear Crystals Purple Shades'	sweet alyssum	10"	purple with occasional deep lavender blooms, popular color
<i>Lobularia maritima</i> 'Clear Crystals White'	sweet alyssum	10"	clear white flowers, dark green foliage, controlled habit, Fleuroselect
<i>Lobularia maritima</i> 'Wonderland Blue'	sweet alyssum	4"	wispy, compact, uniform plants with bright, clear blue flowers
<i>Lunaria annua</i> 'Pennies in Bronze'	money plant	36"	seed heads become purple/bronze, great for dried arrangements
<i>Malva sylvestris</i> 'Mystic Merlin'	mallow	48"	large plant with many 3" blooms of purple, mauve and blue overtones
<i>Melampodium paludosum</i> 'Derby'	medallion flower	15"	dwarf mound covered with "self-cleaning" yellow daisies until frost
<i>Mina lobata</i>	Spanish flag	cl	vigorous vine, trumpet flower clusters aging red, orange, yellow to white
<i>Mirabilis jalapa</i> 'Limelight'	four o'clock	24"	shocking pink, afternoon blooms over chartreuse foliage, eye catcher
<i>Mirabilis jalapa</i> 'Yellow and Red Marbles'	four o'clock	20"	each trumpet bloom has varying degrees of yellow and red marbling
<i>Monarda hybrida</i> 'Bergamo'	bergamot	16"	compact, unique rose purple blooms on sturdy stalks

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Monardella odoratissima</i>	Western pennyroyal	6"	Unusual lilac, globe-like flowers, very aromatic
<i>Nepeta hybrida</i> 'Pink Cat'	catmint	10"	compact mound with large pink spikes, perennial
<i>Nicotiana alata</i> 'Grand Ol' White'	flowering tobacco	36"	old fashioned species with dangling, fragrant white trumpets
<i>Nicotiana alata</i> 'Jasmine'	flowering tobacco	48"	broad leaves, white, star-shaped tubular blooms, early evening scent
<i>Nicotiana alata</i> 'Lime Green'	flowering tobacco	48"	profusion of lime green trumpets on strong stems, early evening scent
<i>Nicotiana alata x mutabilis</i> 'Bella'	flowering tobacco	60"+	trumpet blooms in different stages of white, pink, rose, statuesque
<i>Nicotiana glauca</i>	tree tobacco	48"+	powder blue leaves, bold texture, might get yellow blooms late
<i>Nicotiana hybrida</i> 'Avalon Bright Pink'	flowering tobacco	12"	dwarf, light pink trumpets, reliably continuous blooming thru summer
<i>Nicotiana hybrida</i> 'Lime Purple BiColor'	flowering tobacco	12"	unique light lime trumpets with purple veins, attention grabber!
<i>Nicotiana hybrida</i> 'Nicki Red'	flowering tobacco	16"	dwarf plant with masses of red trumpets, good for hummingbirds!
<i>Nicotiana hybrida</i> 'Perfume Deep Purple'	flowering tobacco	18"	dwarf tobacco with dark purple trumpets, scented, strong bloomer
<i>Nicotiana hybrida</i> 'Tinkerbell'	flowering tobacco	40"	airy stems topped with green trumpets with dark pink throat
<i>Nicotiana knightiana</i>	flowering tobacco	30"	narrow, lime green trumpets with dark tips, subtly showy
<i>Nicotiana langsdorfii</i>	flowering tobacco	32"	masses of lime green, dangling trumpets, good in combinations
<i>Nicotiana</i> sp. 'Delaware Indian'	sacred tobacco	15"	compact, bold leaves, clusters of light green blooms, ceremonial
<i>Nicotiana</i> sp. 'Louisiana Piroque'	flowering tobacco	48"	bold leaves, loads of gorgeous sunset-pink trumpet shaped blooms
<i>Nicotiana sylvestris</i> 'Only the Lonely'	flowering tobacco	60"	enormous plant with white trumpets, most fragrant at dusk
<i>Nierembergia hippomanica</i> 'Blue Mountain'	cupflower	6"	fine textured foliage mound covered in true blue, small blooms
<i>Ocimum basilicum</i> 'Ararat'	basil	28"	mottled green and purple leaves, good size, ornamental and utilitarian

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Ocimum basilicum</i> 'Boxwood'	boxwood basil	16"	compact, tight mound of small leaves, looks like boxwood! culinary too!
<i>Ocimum basilicum</i> 'Oriental Breeze'	basil	14"	clean foliage, culinary uses, fragrant white blooms, purple bracts
<i>Ocimum basilicum</i> 'Queen of Sheba'	basil	12"	great bedding plant, huge, deep purple blooms thru summer
<i>Ocimum basilicum</i> 'Queenette'	basil	15"	new!, most aromatic and flavorful of the Thai basil, ornamental too!
<i>Ocimum basilicum</i> 'Thai Siam Queen'	basil	24"	licorice scent, purplish foliage, great bedding or herb garden plant
<i>Oxypetalum caeruleum</i> 'Heavenborn'	Southern star	trlng	fast growing, trailing plant with light blue, 5 petaled star-blooms
<i>Oxypetalum caeruleum</i> 'Tweedie'	Southern star	trlng	gray green leaf, blue blossoms, milkweed relative, trailing
<i>Pelargonium</i> 'Black Velvet Rose'	geranium	14"	bright rose flowers above dark foliage with green edges
<i>Penstemon hartwegii</i> 'Tubular Bells Red'	beardtongue	28"	deep scarlet red funnel-like blooms, white center, sturdy
<i>Penstemon hartwegii</i> 'Tubular Bells Rose'	beardtongue	28"	pink funnel-like blooms with light center, sturdy plant
<i>Penstemon heterophyllus</i> 'Electric Blue'	beardtongue	18"	spkies of intense blue "tubes", loves heat, marginal perennial
<i>Perilla frutescens</i> (red)	beefsteak plant	24"	deep maroon leaves, ornamental foliage for edging or compositions
<i>Petunia axillaris</i> 'Rainmaster'	petunia	18"	sprawling, heavenly scented white blooms particularly at dusk
<i>Petunia</i> 'Easy Wave Blue'	petunia	9"	vigorous plant smothered in midnight blue blossoms, heat tolerant
<i>Petunia</i> 'Easy Wave Coral Reef'	petunia	9"	vigorous plant smothered in coral pink blossoms, heat tolerant
<i>Petunia</i> 'Easy Wave Rosy Dawn'	petunia	9"	rosy pink blooms with yellow center and white throat, heat tolerant
<i>Petunia</i> 'Easy Wave White'	petunia	9"	vigorous plant, clear white blooms, heat and weather tolerant
<i>Petunia grandiflora</i> 'Dwarf Limbo Rose'	petunia	8"	dwarf plant, extra large rose blooms smothering heat tolerant plant
<i>Petunia hybrida</i> 'Avalanche Blue'	petunia	9"	new color in this series, deep blue, vigorous trailer, containers!
<i>Petunia hybrida</i> 'Daddy Blue'	petunia	12"	silver blue blooms with violet veins, effective, heat tolerant

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Petunia hybrida 'Dolcissima Flambe'</i>	petunia	10"	creamy white, pale yellow and soft rosy tones on same flower!
<i>Petunia hybrida 'Dolcissima Limoncello'</i>	petunia	10"	masses of two tone, lemon yellow and pale yellow blooms, rich color
<i>Petunia hybrida 'Dreams Fuchsia'</i>	petunia	15"	vivid, bold fuchsia color, heat tolerant, strong performer
<i>Petunia hybrida 'Dwarf Limbo Rose'</i>	petunia	7"	rose pink blooms with darker veins, sturdy through summer heat
<i>Petunia hybrida 'Limbo Violet'</i>	petunia	7"	vivid violet blooms, iridescent color, very showy, heat tolerant
<i>Petunia hybrida 'Merlin Blue Morn'</i>	petunia	12"	brilliant blue blooms tracking down to white center, very showy
<i>Petunia hybrida 'Opera Supreme Lilac Ice'</i>	petunia	12"	robust spreading petunia, light lilac pink blooms with dark violet veins
<i>Petunia hybrida 'Opera Supreme Pink Morn'</i>	petunia	10"	bright pink petal edges, white interior and yellow center, showy
<i>Petunia hybrida 'Pink Sunshine'</i>	petunia	14"	bright lavender/pink petals, glowing, sunshine yellow center, showy!
<i>Petunia hybrida 'Plum Crazy Improved'</i>	petunia	15"	unique veined pattern, slight ruffled edge, strong bloomer
<i>Petunia hybrida 'Ramblin' Nu Blue'</i>	petunia	14"	spreading and trailing plant, vigorous, reliable bloomer thru summer
<i>Petunia hybrida 'Rapide Sunshine'</i>	petunia	12"	first yellow spreading petunia, deep yellow center, lighter petals
<i>Petunia hybrida 'Strawberry Sundae'</i>	petunia	12"	light pink blooms laced with strawberry red markings, very showy
<i>Petunia hybrida 'Tidal Wave Silver'</i>	petunia	15"	spreading and mounding, vigorous, white and light violet blooms
<i>Petunia hybrida 'Tie Dye'</i>	petunia	10"	ruffled blooms with streaks and splashes of carnation pink and white
<i>Petunia hybrida 'Ultra Blue Vein'</i>	petunia	14"	uniform, compact habit, lavender blue blooms with deep veins
<i>Petunia hybrida 'Yellow Improved'</i>	petunia	15"	clean, bright yellow blooms with darker throat, heat tolerant
<i>Petunia 'Lavender Wave'</i>	petunia	9"	spreading, vigorous petunia, bright lavender pink blossoms, heat tolerant

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Petunia 'Pink Wave'</i>	petunia	9"	spreading, vigorous petunia with lots of bright pink blossoms, sturdy
<i>Petunia 'Purple Pirouette'</i>	petunia	15"	double petunia, purple with white splashings and markings, AAS
<i>Petunia 'Purple Wave'</i>	petunia	9"	spreading, vigorous petunia with deep, violet purple blooms, eye-catching
<i>Petunia 'Shock Wave Ivory'</i>	petunia	9"	strong bloomer, smaller white flowers with cream/yellow center, showy
<i>Petunia 'Shock Wave Purple'</i>	petunia	9"	strong bloomer, smaller bright purple flowers in profusion thru summer
<i>Petunia 'Shock Wave Rose'</i>	petunia	9"	strong bloomer, smaller rose pink blooms, heat and weather tolerant
<i>Petunia 'Tidal Wave Hot Pink'</i>	petunia	15"	spreading, vigorous petunia, bright pink, non-stop blooms!
<i>Petunia 'Tidal Wave Silver'</i>	petunia	15"	spreading, vigorous petunia, violet center fading to white on petal edges
<i>Phlox drummondii 'Grammy Pink/White'</i>	annual phlox	10"	small blooms with white and pink coloration, strong performer, good edger
<i>Phytolacca americana 'Silberstein'</i>	variegated pokeweed	72"+	variable white speckling, mottling, etc. on bold leaves, woodland edge
<i>Plectranthus oertendahlii 'Emerald Lace'</i>	plectranthus	18"+	textured, variegated foliage, nice foliage accent for part shade
<i>Portulaca grandiflora 'Tequila Orange'</i>	moss rose	4"	fine foliage topped with bright orange blooms, durable groundcover
<i>Prunella grandiflora 'Freelander'</i>	self heal	7"	zone 5 perennial, compact plant with color mix of upright clusters
<i>Prunella grandiflora 'Freelander Blue'</i>	self heal	7"	zone 5 perennial, compact plant with deep blue, upright clusters
<i>Reseda odorata 'True Machel'</i>	evening stock	18"	ever blooming red blooms, highly fragrant, butterflies!
<i>Ricinus communis 'Carmencita Bright Red'</i>	castor bean	60"+	deep maroon, bold leaves. Flower pods are bright red
<i>Ricinus communis 'Gibsonii'</i>	castor bean	72"+	deep maroon, large tropical leaves, reddish seed pods, bold!
<i>Ricinus communis 'New Zealand Purple'</i>	castor bean	72"+	deep deep purple, bold leaves, maroon seed capsules, tropical look

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Ricinus communis</i> 'Zanzibariensis'	castor bean	8'+	tallest castor bean, enormous green leaves, give lots of space!
<i>Rudbeckia hirta</i> 'Autumn Colors'	gloriosa daisy	24"	large flowers splashed with red, bronze and yellow, "earthy"
<i>Rudbeckia hirta</i> 'Cappucino'	gloriosa daisy	30"	huge golden flowers with mahogany red center, strong summer color
<i>Rudbeckia hirta</i> 'Cherokee Sunset'	gloriosa daisy	24"	fully double mix of large flowers in the yellow to bronze shades
<i>Rudbeckia hirta</i> 'Chocolate Orange'	gloriosa daisy	24"	red-orange petals tipped in yellow, deep chocolate center, butterflies!
<i>Rudbeckia hirta</i> 'Cordoba'	gloriosa daisy	20"	single golden yellow blooms with red central ring, showy
<i>Rudbeckia hirta</i> 'Irish Spring'	gloriosa daisy	30"	deep golden yellow flower petals, striking emerald-lime centers
<i>Rudbeckia hirta</i> 'Maya'	gloriosa daisy	20"	dwarf plant, fully double, large golden yellow blooms, nice cut flower
<i>Rudbeckia hirta</i> 'Prairie Sun'	gloriosa daisy	30"	large, single blooms, tangerine petals with white tips, green center
<i>Rudbeckia hirta</i> 'Spotlight'	gloriosa daisy	12"	dwarf, compact plant covered in golden blooms with chocolate center
<i>Rudbeckia hirta</i> 'Sputnik'	gloriosa daisy	30"	large flowers with wide, chocolate purple center, very showy
<i>Rudbeckia hirta</i> 'Tezier'	gloriosa daisy	16"	compact plants with color range from gold to deep mahogany
<i>Salvia viridis</i> 'Blue Denim'	annual clary sage	18"	papery, purple-blue bracts that are long-lasting, showy plant
<i>Salvia farinacea</i> 'Evolution'	mealycup sage	28"	deep, violet blue, upright flower stalks, plant en masse, showy
<i>Salvia farinacea</i> 'Fairy Queen'	mealycup sage	18"	narrow flower spikes are blue and white, dark stems, plant en masse
<i>Salvia patens</i> 'Sky Blue'	salvia	24"	light blue flowers in mid summer until frost, showy plant
<i>Sanvitalia procumbens</i> 'Mandarin Orange'	creeping zinnia	6"	wispy foliage smothered in bright, double orange blooms, dark center
<i>Seseli gummiferum</i>	moon carrot	30"	silver blue, lacy foliage with pale pink/white umbels in profusion
<i>Solenostemon scutellarioides</i> 'Dark Chocolate'	coleus	30"	rich dark purple, solid across leaf, touches of burgundy on occasion

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Solenostemon scutellarioides</i> 'Kong Salmon Pink'	coleus	20"	huge leaf size with multi-color pattern of salmon pink, chocolate brown
<i>Sorghum bicolor</i> (red)	red broom corn	8'+	seed heads in shades of red, great in fall arrangements, gigantic!
<i>Spilanthes oleracea</i>	peek-a-boo plant	20"	unique rounded, golden flowers with red eye, bronze leaf, novelty
<i>Stipa arundinacea</i> 'Sirocco'	wind grass	14"	wispy, fine textured grass, great for bedding or containers
<i>Stipa lessingiana</i> 'Capriccio'	steppe grass	16"	wispy, short grass, fine textured, great for bedding or containers
<i>Tagetes erecta</i> 'First Lady'	marigold	20"	covered in sunny yellow, fully double blooms, very durable, AAS
<i>Tagetes erecta</i> 'Mumsy Gold'	marigold	14"	double gold flowers with straight, spikey petals, mum-like!
<i>Tagetes erecta</i> 'Mumsy Orange'	marigold	14"	double orange flowers with straight, spikey petals, mum-like!
<i>Tagetes erecta</i> 'Mumsy Yellow'	marigold	14"	double yellow flowers with straight, spikey petals, mum-like!
<i>Tagetes patula</i> 'Durango Tangerine'	French marigold	12"	intense, rich, orange anemone-like flower heads, uniform plants
<i>Talinum paniculata</i> 'Limon'	Jewels of Opar	24"	chartreuse foliage, airy clouds of pink summer flowers, wispy
<i>Thunbergia alata</i> 'Superstar Orange'	black-eyed Susan vine	cl	stunning bright orange blooms, very vigorous in full sun
<i>Thunbergia alata</i> 'Susie Orange Clear'	black-eyed Susan vine	trlng	nice trailer with clean, green foliage and lots of orange blooms, train
<i>Tithonia rotundifolia</i> 'Fiesta del Sol'	Mexican sunflower	36"	dwarf, compact, be patient, orange flowers in August, showy!
<i>Tithonia rotundifolia</i> 'Torch'	Mexican sunflower	60"	tall, may need staking, orange flowers in late summer, butterflies!
<i>Trachelium caeruleum</i> 'Devotion Blue'	throatwort	12"	compact plant covered in light, mid-blue blossoms, fragrant
<i>Tropaeolum majus</i> 'Golden King'	nasturtium	12"	compact, non-trailing, blue-green leaf, single golden spurred blooms
<i>Tropaeolum majus</i> 'Strawberries and Cream'	nasturtium	12"	rich peachy cream hue with red blotches, showy and vigorous
<i>Tropaeolum majus</i> 'Whirlybird Tangerine'	nasturtium	12"	spreading, bright green leaf, audacious bright orange blooms
<i>Tropaeolum minus</i> 'Ladybird'	nasturtium	8"	dwarf, dark foliage, golden yellow blooms with bright red spots, showy
<i>Verbascum bombyciferum</i> 'Arctic Summer'	mullein	72"	perennial, wooly white leaves and stems, yellow summer panicles

Rotary Botanical Gardens, 2008 Annual Selections

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Verbena bonariensis</i>	South American verbena	48"	tall, free flowering annual with violet flower clusters, reseeds readily
<i>Verbena hybrida</i> 'Blue Lagoon'	verbena	12"	the best true blue verbena, great performer, slight evening fragrance
<i>Verbena hybrida</i> 'Novalis Deep Blue W/ White Eye'	verbena	8"	compact, good heat tolerance, showy blooms thru summer, AAS
<i>Verbena rigida</i> 'Touch of Style'	verbena	15"	deep, rich, violet-blue blooms thru the summer, scrambler and rambler
<i>Viola cornuta</i> 'Skippy XL Plum-Gold'	viola	8"	AAS, strong performer in spring and early fall, soft violet and yellow
<i>Viola</i> sp. 'Rain Blue and Purple'	pansy	9"	cool blue shades, purple and white changing to purple and blue
<i>Viola x wittrockiana</i> 'Fizzy Lemonberry'	pansy	8"	mix of frilly yellow blooms highlighted with purple picotee edges
<i>Viola x wittrockiana</i> 'Matrix Rose'	pansy	9"	strong bloomer in spring and early fall, heat tolerance, rose
<i>Viola x wittrockiana</i> 'Matrix Rose Wing'	pansy	9"	strong bloomer in spring and early fall, heat tolerance, rose
<i>Zea mays</i> 'Tiger Cub'	dwarf variegated corn	48"	dwarf, white-striped ornamental, bushy and bold, conversation piece
<i>Zinnia angustifolia</i> 'Crystal White'	zinnia	12"	heat tolerant plant, smothered in clear white blooms, yellow center
<i>Zinnia angustifolia</i> 'Profusion Orange'	zinnia	12"	nice mound, disease resistance, orange blooms all summer
<i>Zinnia elegans</i> 'Benary Giant Orange'	zinnia	48"	large, dahlia flowered, deep orange blooms, strong stems
<i>Zinnia elegans</i> 'Envy'	zinnia	28"	unusual chartreuse green, semi-double blooms, good cut flower
<i>Zinnia elegans</i> 'Magellan Coral'	zinnia	15"	dwarf, uniform, semi-double, clear coral blooms, showy
<i>Zinnia elegans</i> 'Magellan Orange'	zinnia	15"	dwarf, uniform, semi-double, clear orange blooms, showy
<i>Zinnia elegans</i> 'Tequila Lime'	zinnia	30"	clear, crisp, lime blooms, solid performer thru summer heat, good cut
<i>Zinnia elegans</i> 'Thumbelina'	zinnia	6"	dwarf, compact zinnia with mixed colors, likes full sun and hot temps
<i>Zinnia elegans</i> 'Uproar Rose'	zinnia	28"	intense, wine-colored double blooms, disease resistance, super showy!

Scientific Name 'Cultivar'	Common Name	Size	Description
<i>Zinnia elegans</i> 'White Wedding'	zinnia	16"	4-5" double white, dahlia blooms, non-stop flowering thru summer
<i>Zinnia elegans</i> 'Zowie! Yellow Flame'	zinnia	30"	red petals tipped yellow with magenta highlights, color changes! AAS
<i>Zinnia haageana</i> 'Aztec Sunset'	zinnia	15"	Fleuroselect, compact zinnia with double blooms, yellow/mahogany combo
<i>Zinnia hybrida</i> 'Highlight'	zinnia	18"	electrifying, neon yellow blooms (like a highlighter!), lots of blooms
<i>Zinnia marylandica</i> 'Zahara Coral Rose'	zinnia	18"	disease resistant, heat-loving, rose with coral hue in background
<i>Zinnia marylandica</i> 'Zahara Scarlet'	zinnia	18"	disease resistant, heat-loving, deepest red color, doesn't fade out
<i>Zinnia marylandica</i> 'Zahara White'	zinnia	18"	disease resistant, heat-loving, pure white color, large blooms
<i>Zinnia marylandica</i> 'Zahara Yellow'	zinnia	18"	disease resistant, heat-loving, nice bright yellow, large blooms
