

PERSONALIZED BRICKS

You can help pave the way through Rotary Botanical Gardens. Many people find that our paving bricks make an ideal memorial of family members and friends as well as an opportunity to celebrate a special occasion. Bricks make a unique, memorable gift for birthdays, anniversaries and graduations. We can provide you with a special gift certificate to mark the occasion. You may consider donating multiple bricks throughout the years as your gift needs arise.

STROLL THROUGH THE GARDENS

Rotary Botanical Gardens provides 20 acres of internationally themed gardens for your enjoyment. Visitors can walk along gently curved paths as they enjoy the wonder and beauty of the Gardens. Paving bricks engraved with personalized messages become the pathways of selected Gardens.

Where Tears Run Deep

Rotary Botanical Gardens announces a 2007 addition to our personalized brick program. *Where Tears Run Deep* honors and restricts personalized bricks to those soldiers who gave their lives for their country in the Iraq War and Afghanistan Conflict. In addition, large bricks recognize those who gave their lives in past US wars.

Where Tears Run Deep is a 40 foot section of a 185 foot path. *Where Tears Run Deep* is dedicated to honor the soldiers who have given their lives for our country and was donated by Harry Hauri, Sr., 82nd Airborne. The rest of the path will serve Rotary Botanical Gardens personalized brick program where anyone will be able to place a brick when current paths are full and was also donated by Harry Hauri, Sr., 82nd Airborne. The entire path was donated in loving memory of Dolores Mae Hauri and Wanda Mae Hauri.

Personalized bricks either 4" x 8" or 12" x 12" may be purchased at a reduced price of the Rotary Botanical Gardens personalized brick prices and is restricted to soldiers who have lost their lives in service to the country. To order, indicate that the order is for *Tears Run Deep* for the discounted brick prices.

MAINTENANCE

The Gardens, including these paved pathways, are maintained by contributions from people like you. Rotary Gardens Annual Memberships help provide the day-to-day operating funds to keep the Gardens looking their best. Please consider an Annual Membership as a way to provide ongoing support for Rotary Gardens.

Paving bricks are subject to weathering and normal wear and tear. This aging enhances the look of the pathway. Paving bricks are ordered in batches and placed in pathways during warm weather. Please understand that it could take a few months before your brick is received at the Gardens and placed in the ground. You will receive notification after placement of your brick.
